Miss Meta Spira.

Dear Sir,

The Resident has written to the Government of Madras asking them to send Miss Meta Spira, Mr. Doering's fiancee, up to Bangalore. I have arranged for Mrs. Brinitzer to take the girl in when she arrives and she has very generously said that she will only ask for a contribution for the girl's maintenance if her financial circumstances do not enable her to undertake it herself. The Resident has asked me to say that he is very grateful to you for promising that the Government of Mysore will meet the charges of her railway journey to Bangalore and any necessary maintenance charges when she is here and for promising to meet the minimum maintenance charges of any destitute German woman living in the Mysore State in accordance with the provisional instructions for the control of foreigners, a copy of which has been forwarded to the Chief Secretary.

Yours sincerely,

MRS. META DOERING - MAINTENANCE ALLOWANCE.

My dear Mr. Kesavaiengar,

The Dewan very kindly promised that the Government of Mysore will be responsible for the maintenance of Miss Meta Spira who has since married Mr. Hans Doering. She has no money at all and all her belongings were lost, being on a German boat. The maximum amount that could be sanctioned for her maintenance under the "Provisional Instructions" is Rs.70/- per month. I understand that she was employed as a Bacteriological Assistant in the Saxon Serum Works, Dresden, on a monthly salary of - 350 Reichmarks and that she lost her job at the beginning of this year for political reasons. The Resident considers that there is no objection to the Government of Mysore employing her in the Serum Institute, if she is really qualified, though there will be some difficulty in her transport as she will not be able to afford a motor car. She is living with Mrs. Brinitzer in Infantry Road.

Yours sincerely,

Dear Sir,

I am desired to acknowledge the receipt of your letter No.121-1940 dated the 28th June 1940 on the above subject, and to state that the Government of Mysore feel that it is neither necessary nor desirable to re-intern the gentlemen suggested in your above letter. This Government consider that it is not necessary because both Messrs. Krumbiegal and Schmidt are old and absolutely incapable of doing any harm; undesirable because re-internment of such old men well-known for their exemplary conduct and consequent separation of them from their families and deprivation of home-comforts in their advanced age can only engender ill-feeling towards the British Government.

For the above reasons, the Government of Mysore would urge a reconsideration of the decision of the Government of India in the matter.

If the Government of India should consider that some restriction is absolutely necessary, this Government would suggest that they may be confined to their houses. The Government of Mysore are prepared to hold themselves

responsible for their behaviour, [illegible] Yours sincerely,

I am therefore to request that arrangements for their transfer to Ahmednagar may kindly be made, as early as possible, in consultation with Mr. Green.

3. As regards the families of Messrs. Schmidt and Doering, it is suggested that they may be allowed to continue to reside in Mysore, subject to existing restrictions.
